Zhejiang yierdun electrical appliance co.,ltd. is located at Binhai IndustrialZone, which is a beautiful area withadvantages in geography andconvenience in transportation.Our company is a high tech companyspecializincin researching and manufacturing various kinds of electricproducts with the ability of manufacturing in large quantityMoreover, ourcompany has a group of seasoned and professional technological andmanagement employees.

Zhejiang yierdun electrical appliance co.,ltd. was originated in 2003. On the basis ofhonest management,our companhas kept being actively and bravelyexploring and hard working for more than 15 years. At present, we cansupplya wide range of products such as home electric appliances, all kindsof wall switch and socket ,electric lighting, hioor low voltage items.electrical accessories and other related products. Furthermore. ourproducts have been soloto many countries around the world

Our company will strive without ceasing just as we have done at past andwill keep forward for building themonument of world-class electric industryin China.

Company Profile

Plastic Frame: Enhanced Plastic Plate
Beautiful appearance, high strength and impact resistance, stand wear and tear.

The switch panel is made of flame-retardant PC without frame design

Flame-retardant PC base,
high temperature resistance and easy to connect.
Wire box remains more space make wiring safely.

Integration of copper parts
that effectively reduce low temperature rising.

Scientific safety door design,
anti-unipolar insertion

Strengthened panel

Flame-retardant PC base,
high temperature resistance and easy to connect.
Wire box remains more space make wiring safely.

3.0mm silver contacts, 16A current-operated contactor
Forced Trip Function Design

Strengthened panel

Super nylon base
Scientific design avoid fracture and unreasonable disassembly

The switch socket panel is made of flame-retardant PC
